Derek A. Brown

SUMMARY:

I am a dynamic audio and video production specialist who utilizes creativity, leadership, and teamwork to design and execute unique visual art. As a professional broadcast engineer with mass communication skills and comprehensive knowledge of cinematographic production projects, I have created my media production, marketing, management, and writing skills to be the excellent branding that highly satisfies each client.

STUDIO MANAGER:

Work within all levels of operating an independent company while displaying quality videos, imaginative concepts, and excellent technical abilities. Effective as both a leader and as a member of a team, which has allowed me to be compassionate in front of the camera as well as behind it. Experienced and established as a production professional with several years of experience in enhancing visual ideas, planning set designs, and building client relationships.

SKILLS:

Motion Designing	Producing	Editing
Shooting (Lighting)	Short Films	Writing
Social Media Promotion	Green Screen	Directing
Post Production Supervision	Music Production	Budgeting

SOFTWARE:

Final Cut Pro X	Encoding	InDesign
Adobe Creative Suite	Studio Pro	Motions 5
DSLR Video (5D Mark II)	Art Graphic	Photoshop

EXPERIENCE:

Life Long Productions – St. Louis, MO Video Producer/Editor 2012 to Present

Build a network of clients, contacts, and projects by developing outstanding video concepts and productions. Provide and maintain contemporary technical skills of screenwriting, budgeting, and the scheduling for each client. Conduct regular meetings with the staff to verify the objectives and visions of the client.

- Manage the creative content as well as the financial aspects of each production
- Arrange shooting schedules, video software and the developments of the final edit
- Coordinate all stages of the client's timeline and ensure to stay within the allotted budget

One Caribbean Radio – Brooklyn, NY Air Talent

2009 to 2011

Performed and presented commentary entertainment as a morning, midday and evening on-air personality for both Kalalloo Media (U.S. Virgin Islands) and One Caribbean Radio. Displayed and exhibited strong production skills with excellent working knowledge of audio equipment for on-air production.

- Completed commercial production, personal appearances, remotes and marketing events
- Great communicator, very creative, and experienced in interacting thru social media platforms
- Organized daily on-air shows, operated the control room board, and monitored commercial logs
